Carl,

I had already consolidated comments and began addressing them when I got your message yesterday. So I went through the consolidated PDF and checked the box next to each comment that changed based on your email and added a note "Withdrawn by CDPHE" or "Comment revised by CDPHE". Can you please review the 'checked' comments in the attached file and make sure they are indeed the CDPHE comments that were deleted and/or revised? (Open up the Comments tab on the right side and filter by "checked".) I verified every page you noted in your email as deleted or revised, but identified one comment that appeared to be deleted on pg. vi that was not on your list. Be advised that the attached PDF contains all comments received (CDPHE and EPA) and has some input in the 'reply' box.

I also incorporated comments from P3smith from your file — are these from Pat Smith?

Please call if you cannot see the 'checked' boxes in the PDF file. I think you can filter by checked boxes only in certain Adobe Acrobat versions. Thanks.

*Patty*
